

Extension Acknowledgment Agreement

The filing deadline is **Friday, April 15th, 2022**. Our policy is to work on returns in the order they are received in our office. Accordingly, if we did not receive your information before **Friday, March 11th**, we cannot guarantee that your returns will be completed before the deadline.

Returns are granted an extension of time to file, but it does not extend the time on payment if there is a tax liability. The final tax owed is expected to be paid by **Friday, April 15th** regardless if an extension has been filed. Any amounts not paid by the filing deadline are subject to interest and late payment penalties. All costs in this regard are your responsibility.

The extension is granted until Monday, October 17th, 2022. For us to timely complete your return by this date we need your information **no later than** Friday, September 16th, 2022. If we receive your information after this date, there is no guarantee that your return will be completed by the final extension date.

By providing your information to us, you are agreeing to the terms set forth in our standard engagement letter, and if needed, we will file an extension for your federal, state, and local tax returns. This acknowledgement and the terms within our engagement letter represent the entire agreement regarding our tax preparation services and supersedes all prior agreements, written or oral, regarding our services.

By signing below, you are acknowledging and agreeing to the terms set forth above.

I have read the above terms of the engagement letter and agree with the terms of this engagement.
